Petition New:

Response to the recent USPTO petition concerning this application:

- 1) Original Inventor and Applicant: Mr. Savvas P. Vasileiadis, Ph.D. further requests from the USPTO, that his name appear first in the inventor series in the above issued patent. This petition is in continuation of the petition filed on May 6, 2004 to the same USPTO Office. Mr. S. P. Vasileiadis insists that he holds the primary intellectual rights of this invention as it is shown in the application correspondence filed with the primary examiner Mr. Nguyen T. during the above examination period.
- 2) Mr. S.P. Vasileiadis also petition that his name be corrected, and appear in the correct space in the top cover page of the patent as follows :
based on his correspondence with the examiner:

Attorney, Agent or Firm : Savvas P. Vasileiadis, Ph.D. Chemical Engineering

With regards:

Mr. Savvas P. Vasileiadis

Ph.D. Chemical Engineering
